

Additional Bonus Opportunities

“We’ve Got Your Back” Food Drive

In partnership with Giving Children Hope (GCH), Buena Park Downtown collects food to support the “We’ve Got Your Back” program, which feeds hungry children in our schools. Your school earns **100 points for each pound of food donated**. **Most needed items:** whole wheat pasta, cereal, canned meat, peanut butter, instant oatmeal, canned soup, individually packaged snacks such as granola bars and trail mix. *Please only items that can be used in the backpack program. No glass, baby food or expired items. These will not be counted for points.*

Food collection tips:

- Coordinate with your school office, to ensure that the staff is up-to-date on your food collection/pick-up process.
- Ask for collection containers (boxes and bins) from GCH. When you receive your containers, be sure to label the inside of the container with your school name. This will help to ensure proper credit for points.
- To schedule a pick-up of your collected food, please contact Alex Nay a few days in advance: anay@gchope.org. Be sure all your containers are in the same location for the pick-up.
- When you’ve had the pick-up, please call or email Shopping Partnership (SP) to let us know the number of containers picked up, so we can make sure your school is credited. GCH will provide SP with the donation receipt, and SP will email the school coordinator a copy of the receipt.

Brain Power Mania participants have nearly 200,000 pounds of food and beverages to support this worthy cause! In April, watch for the Tackle Child Hunger food drive. Your school will earn 200 points per pound donated.

Visit gchope.org to learn more.

Donate to the Red Cross

Earn 2,500 points per person. Donating blood is a simple thing to do, but can make a big difference in the lives of others. The American Red Cross is hosting blood drives now at Buena Park Downtown located on the lower level in the Walmart wing. Visit www.buenaparkdowntown.com/events for more information.

Social Media Points

Keep an eye on Buena Park Downtown’s social media, and if you see a Brain Power Mania post, comment with your school name to **earn 100 points**. Limit one per person, per post.

Sugar Plum Festival

Earn 15 points per dollar spent. Unique boutique featuring hand-crafted items, vintage, antiques and more.

2019 Schedule: October 3-6 and December 4-8. Check sugarplumfestivals.com for more information and the 2020 spring schedule.
