

Additional Bonus Opportunities

Be on the lookout for bonus points

On the School Cents flyers, we'll include bonus points offers for shopping at selected stores and supporting holiday programs. Dates of when the receipts need to be submitted and logged are detailed on the flyers.

We send bonus points email reminders once or twice a month to people that have subscribed to School Cents emails from the program website at shopandlog.com/inland. When a customer submits a receipt online, their email address is added to the subscription list.

Backpack Drive

Schools earn 7,000 points for each new backpack donated September 1-15 (points for up to 200 backpacks per school). Watch for more details at the kick off meeting in late August.

E-Waste Recycling

The shopping center host electronic waste recycling events, typically in the Fall and Spring, where customers can pull up into the parking lot and drop off electronic waste items (such as computers, monitors and TV's) to earn bonus points. All electronic waste will be accepted for recycling with monitors, laptops, tablets and T.V.'s earning 7,000 points for each screen item, limit 100 screens per school for points earned.

Toy Drives

The shopping center partners with the Salvation Army Angel Tree to collect holiday gifts for children in need. Schools earn 5,000 points for each angel request granted.

Sweet on Soldiers

Collection is planned for January/February 2025*. Watch for details about how to earn points for donating handmade cards and personal care/food products. Schools earn points for donated personal care/food items and handmade Thank You cards, up to 100,000 points for cards and 200,000 points for items.

25,000 bonus points

There are two options* to earn 25,000 bonus points. The first goes to the school that logs the highest dollar value of receipts each month. The second is given to the school with the greatest percent increase in the dollar value of the receipts logged, compared to the previous month. A minimum of \$100 is required to earn the bonus points. **Each school can win each offer only one time.*

Promote School Cents and earn bonus points

Get the word out to your school's families, staff and other supporters and earn up to 36,000 points for your school! Post something on social media, send out a phone or text alert, set up a receipt collection box, display a poster or banner, announce at your school events, send an email blast, post a section on your website, include in your school newsletters and announcements and more.
